

Take Control in Food Safety

Ensure Food Safety compliance and elevate hygiene standards with our **Scott® Control™ Printed Blue Hand Towels**, featuring an enhanced Scott® design and a distinctive blue colour for easy detectability in critical environments.

Control Quality

- Certified food-safe and suitable for use in food facilities.¹
- Reduce risk of contamination by drying hands with a paper towel to remove up to 77% of bacteria remaining on hands after washing.²
- Scott® Control™ Printed Blue Hand Towels and Aquarius® Rolled Hand Towel Dispensers deliver great hygiene and a quality system.

Control Impact

- Supports responsible forestry with 70% recycled fibre³ and FSC® MIX⁴ certification.
- The polyfilm (shrinkfilm) packaging for Scott® Control™ Printed Blue Hand Towels include 30% recycled plastic.

Control Waste

- Towels are made with Airflex™ Technology⁵ using 25% less fibre to create ABSORBENCY POCKETS,⁵ using fewer towels with less waste.
- Controlled dispensing enables usage to only what's needed and helps reduce waste.

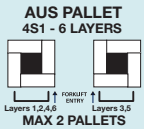

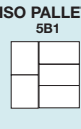

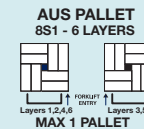

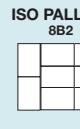

Control Cost

- Controlled dispensing delivers just the right amount to help maximise efficiency.
- High-capacity format helps reduce refill frequency and requires less maintenance.
- Designed to help gauge when dispenser servicing is required and save maintenance time.
